

Chromatemp Artists' Tempera

PRODUCT COPY

Chromatemp Artists' Tempera makes being creative even more enjoyable in the classroom. These vibrant traditional tempera colors are non-toxic, waterbased and dry to an opaque matte finish.

Chromatemp Artists' Tempera are non-toxic, ready to use, high quality; pigment rich designer tempera paints that will not settle or separate. Chromatemp Pearlescent Temperas are transparent during application but dry to a smooth, lustrous pearl-like finish. Chromatemp Fluorescent Temperas are super bright colors that are non-flaking and will not settle or separate.

Comes in 13 bright, intermixable colors, available in 2 oz (60ml), 8 oz (250ml), Pint (500ml), 32 oz (1L) and Gallon (4L) bottles for easy classroom use.
