Experience the ultimate in one-coat coverage with **Jo Sonja Color Trends**! Specially formulated to provide rich, smooth coverage with a single coat on most surfaces, this paint is perfect for all your creative needs. The palette boasts carefully crafted colors, enhanced with fillers to effortlessly smooth imperfections and make basecoating a breeze. Plus, each color is independently tested for superior lightfastness, meaning they stay vibrant for years, even in the toughest light conditions!

- **One-Coat Wonder:** Use alone for stunning, rich color or pair with other **Jo Sonja Matte Flow Acrylics** for endless creative possibilities.
- **Techniques Galore:** Blend seamlessly with Jo Sonja Mediums for advanced techniques and dazzling special effects.
- **Versatile Coverage:** Perfect for wood, paper, canvas, glass, terracotta, and more.
- **Convenience in Every Tube:** Available in 4 US fl oz. (120 ml) tubes, designed to make your creative process easy and fun!

Directions for Perfect Application:

- **Basecoat Like a Pro:** Mix **Jo Sonja Color Trends** with **All Purpose Sealer** for a flawless basecoat. Start with a 2:1 ratio (paint to sealer) and adjust to your needs. Apply with a brush, roller, or sponge, then let dry, sand, and add a second coat if desired.
- **Custom Consistency:** For a smooth finish or to achieve airbrush-ready consistency, thin with **Flow Medium** (1:1 ratio) or a small amount of distilled water. Avoid using too much water as it may affect adhesion.
- **Airbrush-Friendly:** Get precision with airbrush applications by mixing paint with **Flow Medium** and **All Purpose Sealer**. Achieve a perfect finish with just the right consistency!

Approximate Coverage: 1 oz. = 6 sq. ft. (approx. 188 sq. cm per 1ml)

Surface, temperature, humidity and paint application can affect any paint's performance. See website for detailed instructions and best practices.

ASTM

ASTM 1 = Pigments of excellent lightfastness

ASTM 2 = Pigments of very good lightfastness

AP SEAL = The “AP Seal” (Approved Product Seal) is a mark used on art supplies, such as paints, to indicate that the product has been tested and deemed non-toxic to humans when used as intended by the Art & Creative Materials Institute (ACMI).

PROP 65 = Refers to California's Proposition 65, a law that requires products sold in California to carry a warning if they contain chemicals known to cause cancer, birth defects, or other reproductive harm.
